

**Petition to Hertsmere Borough Council for a Community Governance Review to establish a Parish Council for the area of Bushey described as the Postal Town WD23.**

We, the undersigned local government electors of the area described below, hereby request that Hertsmere Borough Council carry out a Community Governance Review under the Local Government and Public Involvement in Health Act 2007 (and associated regulations) with a view to creating a new Parish Council for the area known as Bushey (or such other name as may be appropriate).

In support of this request, we

- (i) set out the area to which this petition relates to be the Post Town of Bushey as defined by the Royal Mail Postcode Outward Code WD23
- (ii) request that the review include proposals for parish area boundaries, the number of councillors, warding (if relevant), electoral arrangements, and any other matters required by the principal authority in the review.

**We believe that the creation of a Parish Council will help local democratic representation and bring decision-making closer to the community.**
